

**3rd graders** may participate in the **Rising Star Division** IF your organization cannot field a **Shooting Star Team** that meets the five member 2nd - 4th grade minimum.

**5th graders** may participate in the **Shooting Stars Division** IF your organization cannot field a **Shining Star Team** that meets the five member 4th - 6th grade minimum.

**7th graders** may participate in the **Shining Stars Division** IF your organization cannot field a **Superstar OR Middle School Team** that meets the five member 6th - 8th grade minimum.

NOTE: The intent of this change is to allow some flexibility for organizations that have minimal participation. The intent is NOT to allow larger, more established programs to cherry-pick their teams.
