Bethany Nicolino

**Meeting began promptly at 5 pm.**

**Review of secretaries report** (minutes of October) were presented for review: motion to accept from Lynnette along with a 2nd motion from Lakota accompanied by a unanimous vote to accept by all present members

**Treasurers report:** There was a correction from last bank statement MYCCA was charged an \$8.00 users fee, this was corrected and removed. Current balance as of tonight's meeting \$150.03. Alana motioned to accept/Kathy McKeown 2nd/a unanimous vote by all present members to accept

**Review of rules:** Susan Hartnett addressed association regarding typo in rules. IN SHINING 2 ONE LEGGED BRACE STUNTS ARE ALLOWED/Susan will forward to Alana for update on MYCCA website. Also Susan answered questions explanation of Northern Stars Division. This division is for teams that are trying to build a program, not for teams with a long established program with a low number turn out. If you have an established program you do not qualify for Northern Stars Division. You can have a team in Northern Stars Division and have k thru 2(SHINING), but not ANY teams in SUPER. A TEAM=a minimum of 5 members.

**Web Coordinator:** Alana addressed association stating we have a current membership of 20/currently membership fee is waived for this year/ teams may donate a membership fee if they wish to do so. Alana also informed association of the Executive Boards free webinar meeting we did one week prior to tonight's meeting. This was done as an experiment and Executive Board Members shared this experience as a trial run for association. The free webinar went well and it was decided amongst all present members that we will use this for the December Meeting. Alana asked everyone to submit current emails, and she will INVITE Head coaches only at this time to the Free Webinar. Be on the lookout for your invitation/Please log in with your microphone muted to reduce squeals and background noise. When speaking be sure to state your name and association in order to help secretary with the recording of minutes. This will be a NEW experience for many so patience will be of the utmost importance.

**MAINE CHEER CLASSIC Coordinator:** The Maine cheer classic is in Biddeford this year. Lynnette addressed the association and informed everyone that she is in correspondence with Denise Gelinis to keep cost at a minimum and provide a location with two gymnasiums, one to warm up and one to perform. She will continue to keep association updated on Maine Cheer classic info.

**NEW /OTHER BUSINESS:** It was discussed that any coaches suggestions or members suggestions on improving or changing things need to be mentioned during the season so there is record and it can be voted on in spring following Maine Cheer Classic and then put into effect for that up-coming season. So jot things down, we welcome your thoughts and ideas.

Meeting adjourned 5:50 pm

**NEXT MEETING WEBINAR DECEMBER 1ST at 7PM**

Thank you.
